

Ontario Asthma Indicator: PFT for Diagnosis, 1996 - 2023

*Reporting period is from April 1996 to March 2024. Data for 2022 and 2023 may be incomplete due to the 2-year algorithm to identify asthma and numbers are subject to change

Note: OHIP billings for PFT may have undercounted its utilization as it can be part of “bundled care” performed by the provider and therefore not billed to OHIP separately.
